My dearest Mir,

July 21, 1970

My dear Mir,

When I am signing your name a little later, as a matter of fact summer is almost over and school is practically ready to start again. I'm nearly ready to go back to school (so we can get away from being the alone around the house) but only thinking that takes the way out of me returning to school. I think of the sadness I will face as I have to go away from you. It will be so miserable and lonely. I won't even be able to stand against the blue Volkswagon that we bought at dinner lunch. Remember how we would sit in it at that car and miss Kirby would stand at her window and watch our every move. Like we were some old something-ha) as we look back at the two (2) years ↓

walked down the hallway, the lunch, played
recess, football, and then went to a
few hours at the Union High, & was con-
sidered forward and see how awful my remaining
two years will be. But will make it thru if
you help me. will need the encouragement
more than ever; now that I have finished
now 13 years^{1/2} and give only made it thru
10 of mil^{1/2}? will we enough as luck going
to school without how bout will make it?
we don't want my kids to do we didn't
finish school? would you?? HA
if we have some pretty each, heart-
warming time. all the flowers than any
we will have more flowers than this
two people ever had, but we guess it's
cause we love each other so much. but
we would we take the time to be free
thorough, like the end of the free could
(over)

"gradually" make up! we must admit a few
times we didn't think we would get them
worked out or cleaned up.

We tell ya March 29th (Cotton), we knew that
was one of the days we would never
work out. we took up long enough, from
March 29th to the 2nd. what was
one heck of a headache & wish we could forget, but
& don't know & wish we could too, course
book looks what it has brought two. We're
the happiest we've ever been, even if we're
and we still have the rest of lives to be
happy and besides that we'll always
be together! Right??

We've got so many memories! Remember
Jan. 28, 1969 - March 14th, 1970 (I told you so) Jan. 28, 1970 - March 14, 1970
March 29, 1970 - June 7, 1970, and pretty soon we will
have another date to remember! 0.0 0.0!

Volume 37

Union High School
Union, South Carolina

Her dual role of teacher and guidance counselor proves challenging.

"Mrs. S," It's you!

As dedication time rolls around each year, we of the GLEAM Staff seek another teacher or administrator to add to the list of past dedicatees.

For 1970, the "year of change," we have ironically picked one whose dedication and determination never change. Being a delightful teacher and a friend to every student, our dedicatee has won the hearts of everyone at Union High School, and we proudly present her the greatest honor that the GLEAM Staff can give, its yearbook dedication.

Congratulations, best wishes, and love to one we lovingly call "MAMA":
MRS. CAMILLE STRIBLING

Even though our future has had its ups-and-downs, and waiting for it, and waiting for it to happen. Right? Right now our future is in control of "prediction", and it means we just know it won't ever come. and it means we'll go down that "special" path. It's got to be two legs: one leg forward, and one leg backward. However, we have to think of how much love we have for it, and how much we know about it, and how much we want it. So, it's a balance of it's a balance of "forward" and "backward".

What is their destiny? I think it's that our space has an important part to play in our life. But what is that? I think it's that we have to live our life with hope and with a positive attitude. I hope that you always be happy and always be young. I hope that you always be young.

P.S. May life be our lesson.

Love Comes to UHS

New coach Paul Love and his comparatively inexperienced coaching staff led the Yellow Jackets during the 1969 season. The Jackets compiled a 4-7 record in an exciting season for players, coaches, and fans. Co-Captains Darrell Austin and Bill Lybrand represented their team well at each game. Darrell was chosen for the Shrine Bowl game for his outstanding play both offensively and defensively. A relatively inexperienced squad fought for victory all season long, and each victory was a great one. Though battling many of the better teams in the state, Union High's Yellow Jackets never let their supporters down. At the end of the season, each boy could say that he was really proud to be a Yellow Jacket.

Boys' basketball gained support this year as the youthful Jacket netters toughened up under stiff conference competition. Coach Boyce Frederick used juniors and sophomores as regular starters.

Coach John Daurity and the J.V. boys ripped the opposition in a record-breaking 17-1 season. The Yellow Jacket fans can look back on a good year and look ahead to a great one.

Jackettes: The Greatest!

As usual, the fantastic Jackettes had great success in an outstanding season. The 1970 version of the Eastern AAA Express went totally undefeated in conference play. Although these girls missed perfection by 2 points, they succeeded in every phase of the game, from promoting school spirit to winning another caseful of trophies. They were and will continue to be truly great.

In addition, the J.V. girls barely missed an undefeated season. Despite a small team, Coach Love's young Jackettes showed the talent and spirit necessary to keep the winning tradition of girls' basketball at Union High School.

Coach Hitt, congratulations!!!

Popular baseball arrived with the spring and brought hopes for the state championship barely missed last year. Twelve players returned from last year's Upper-State Championship squad, and new coach John Daurity used the fine material to put together another great baseball season. Winning traditions just keep on rolling along.

Track Means Excitement

Coach Richardson found a group of talented boys on this year's track team, a team which many predicted to win the conference crown. With Dinky Barfield and a bunch of other returning lettermen, the track squad had experience in many positions and potential in every position. Some of the Sims High track stars joined the team this year and brought added depth to UHS track and field, so 1970 track meets figured to be the best yet.

Coach Richardson watches as track star springs over high jump bar.

Up and over—that's what counts!

Track work builds that tough physique!

GOLF TEAM: Richard Meador, Rob Bonds, David Watts, Steven Glenn, Trey Carson, Todd Logan, Ross Jolly, James Glenn.

The golf team, defending Eastern AAA Champs, brought back two lettermen, Ross Jolly and James Glenn, for another exciting season. Most of the boys were new on the golf squad, but each had the winning combination

of talent and determination. Coach Barnes set the standards for his team's eventful year, and the boys, including two eighth graders, walked their way over the courses to a successful season.

bad times (when we couldn't be ^{NEVER WILL BE EITHER} together); we've worried, we've been carefree; we've laughed, and I've even cried. Altogether it's been great! It makes me sad to think that we won't be in school together again. ^{NO SORRY} But maybe the best is yet to come! ^{TO FORGET} I know there'll be problems but there's always a way!! Well, I guess I really could fill up your whole Gleam, but I guess it's time to close. Always be good and don't ever forget me- never! Because the only place in my ⁶⁸ (heart) will be for you!

Staff Honors "Mr. Lee"

Though some of the Union High School staff are ineligible for GLEAM dedicatee, we feel the need to recognize one who has given countless hours to UHS. This honorary dedication is meant to be something special for students, faculty, and administrators alike. It is with extreme pride that this honor is presented to MR. LEE DAVIS.

been a year ago? Looking back over this year, we recognize the value of our job despite its pitfalls. Therefore it is with no hesitation that we present the 1970 GLEAM to you, the students. Take it — the GLEAM is yours now — our job is done.

T R I C I A and A L

There are times in life that stand out so distinctly in one's memory. Whether they be good or bad, special occasions or experiences can never be forgotten. The 1970 GLEAM has been such an experience for us. Our opinion of the entire project has varied from "Isn't this great—I love doing the GLEAM!" to "Why in the world did we ever take the thing?" The past year has been a most eventful one for us, the co-editors, and our staff. Our sincere thanks go to Mike Stevens and Herbert Smith of Fairforest Photography, Mr. John Spach and Mr. John Edwards of Hunter Publishing Company, and Mrs. Sherbert and Miss Gwinn of the faculty. Truly, we feel that this 1970 GLEAM is a student yearbook, so we have done what we set out to do at the start—can it only have

I can look back to the happy times when you lived here in license. We didn't go much traveling but now that how our "license-less" it seems that we attended in the road out the time. Remember where we were to go, my favorite place ("THE HILL") and we would catch the moon and the stars, look at the lights across town, talk about the future and then touch a few houses. Had those were times we'll never forget it!

So celebrate our coming together a whole year we went to the movies, had a potluck supper, and then made it back in time to go up on "THE HILL". Major, that night was so wonderful! And thanks for making it what it was.

We know Qinlin, we change a lot since you and I started going together, maybe even in one way or the other,

Dear Smiley,

Well, school is out and it seems like it just started. At the first of the year, I hardly knew you, but now it seems like I've known you forever. I think back to a lot of the times when I talked to you at the dances and I wish I'd gotten to know you better then instead of waiting until the end of school. I don't guess I really got to know you until that day during sixth period when Mary Jane, Jean, and I were taking announcements. You'd always seemed to be so sweet and friendly, but that's when I really realized it. I'd wanted to get to know you before, but it always seemed like you were too busy with someone else. During lunch you were always talking to at least two or more girls, and besides then I never saw you until we started talking during sixth period. I'm glad you wanted to help me take up excuses because if it hadn't been for that ^{THAT'S ALL} we might still be "just friends." Of course, I'll never forget powder-puff practice. Even though I "worked" myself to death, I looked forward to it every day just to see you. I think we could have won the game if you had not quit coaching. Remember that day

2) we walked up town after football practice and played the pinball machine and you imitated that man that always stands on Main Street, I still think you acted just like him. I wish we could have done that again but those two weeks of practice went by so fast, and it was all over before it really got started. Now summer's here and you'll be leaving soon. You can't imagine how much I'm going to miss you! I hope you won't stay gone long. Maybe if I'm lucky you ^{already} won't forget me while you're gone. ~~has~~ You know you'd better not! I was just thinking about next year. It's going to be awful without you! especially sixth period!! I won't have anyone to take up excuses with me or call me "Hustler." Maybe sometimes you can come back to see me. ^{you're} ~~nuts~~ Please! Really we have a lot of memories even though we haven't known each other well very long. We've been serious and we've been a little silly; we've had good times and we've had
